is providing internship and looks for

INTERVIEWERS FOR CONDUCTING SURVEYS IN LITHUANIAN LANGUAGE

TNS Latvia, a company (specialising in Market, Media and Social Research) located in Riga, Latvia,) is inviting students from Your institution to apply for internship within Erasmus Placement scheme.

TNS Latvia company seeks students fluent in Russian and Lithuanian, having an outspoken ability to read, understand text and ask(survey) questions by phone in professional manner.

Students of sociology or natural sciences are preferred, but other motivated applications are welcome as well.

Working days in office in Riga: Wednesdays, Thursdays, Fridays, but could be more if student shows the necessary additional skills (e.g. knowledge of other languages).

The company is accustomed to accepting interns and has an elaborated instruction programme available. The 4-6 hours of the training is in Russian, the training consists of theory and praxis part, and provision of hands-on experience on using IT applications and tools at the workplace.

In case of mutual interest carrier growth is offered.
