1. **First name:** Rimantas
2. **Family name:** Gudaitis
3. **Permanent official address:** Institute of Physical Electronics, Kaunas University of Technology, Baršausko 59, Kaunas
4. **Phone:** (+370-37) 313432
5. **E-mail:** rimantas.gudaitis@ktu.lt
6. **Education**

<i>Year</i>	<i>Institution</i>	<i>Degree of education</i>
1975-1980	Kaunas University of Technology	Engineer
2004-2009	Institute of Material Science Kaunas University of Technology	Ph. Doctor

7. Work experience

<i>Year</i>	<i>Employer</i>	<i>Position</i>
1980-1986	Kaunas Radio Factory	Engineer
1986-1992	Radio Measurements Institute of instruments	Engineer
1992-1994	Semiconductor Microelectronics Research Center “Mikrolyra”	Engineer
1994-2010	Institute of Physical Electronics, Kaunas University of Technology	Researcher
2009-	Institute of Material Science Kaunas University of Technology	Researcher

8. Other experience

Projects
<ol style="list-style-type: none">1. Research project financed by company JSC TERAVIL „Mesa-etching, microlithographic and electrode fabrication processes THz emitters and detectors: investigations and optimization (2012-2013 m.) (leader).2. Project of High technologies development programme “Development and application of advanced holographic security means” (2008-2010) (participant)3. MITA Lithuanian high technologies development program project „Nanostructured diamond-like carbon films for advanced optical metrology components ” (2011-2013) (participant).4. Research work carried out by the group of scientists and supported by the Lithuanian State Science and Studies Foundation “ Synthesis and investigations of the diamond like nanocomposite films ” (2007) (participant).5. LMT funded project „Extraordinary piezoresistance diamond like carbon nanocomposites and micro(nano-)structures“ (2013-2015) (leader)6. Global grant project funded by Research Council of Lithuania „Plasmonic nanostructures for solar cells with decreased spectrum losses“ (2013-2015 m.) (participant).
