* The tuition fee is subject to change.

academic calendar
The academic year consists of an academic summer semester (the autumn semester always starts on the 1st of September), and the beginning of the spring semester may vary a little (varying mostly at the beginning of February). Students are expected to attend classes during days earlier for a Welcome week.

application deadlines
- 30th of July for those applying for autumn semester.
- 30th of November for those applying for spring semester.

apply online at ktu.edu
Required documents to be attached to the application:
- 2 passport-type photos.
- Notary verified copy of passport.
- Notary-verified copies of degree certificates (translated into English).
- For Bachelor Programme – school (secondary or equivalent) 11 th year) having certificates and marks sheet / certificate which allows to enter university studies.
- For Masters Programme – university Bachelor degree certificate and its supplement, translated into English.
- For Doctoral Programme – university Bachelor and Master degrees certificates and their supplements, translated into English.
- For Bachelor studies: IELTS (≥5.5, TOEFL (≥70), CEFR (≥B2), or equivalent.
- For Masters studies: IELTS (≥6.0, TOEFL (≥90), CEFR (≥B2), or equivalent.
- For Doctoral studies: IELTS (≥6.5, TOEFL (≥100), CEFR (≥B2), or equivalent.

estimated cost of living / per month / per person
€ 105 Anneley (€ 90-120)
- € 60 public transport
- € 60 materials for studies
- € 50 hygiene goods
- € 15 entertainment
- € 60 other
- € 655 TOTAL

scholarships
University may award scholarships for applicants with outstanding qualifications and for good academic merit throughout studies. Lithuanian government may grant country specific scholarships that may cover tuition fee and/or living expenses. KTU also acknowledges possible grants from your home institution and/or other relevant foundations, organizations.

meal & greet
Department of International Relations and student association "KTU Students" organizes a Welcome week for new students. It is a welcome event for the academic year and includes social, cultural and practical information. Various events are organized to meet the KTU family, national dishes, types and sports activities, student life and opportunities to be open-minded and to increase the cultural awareness, by showing around the city and helping everyday.

Living costs
The cost of living is very much depending on an individual lifestyle and habits. Students have to pay for food (the cheap and fast food restaurants), other household-related materials (if not provided by the University or teachers). Also for accommodation. However, Lithuania is not an expensive country to live in.

estimated cost of living
- € 60 living costs
- € 80 utilities
- € 40 public transport
- € 30 leisure
- € 30 entertainment
- € 20 transport
- € 50 other
- € 300 TOTAL

visa
Those who need visas to enter Lithuania must apply for national visas at the nearest Lithuanian embassy. Applicants should apply for personal visa no later than a month before the planned entry date. The visa application process usually takes about 1 month. Visa invitations, Supporting documents and friends can be accommodated at the KTU Guest House.

estimated cost of living
- € 500 travel expenses
- € 300 accommodation
- € 300 utilities
- € 200 clothing
- € 200 entertainment
- € 100 other
- € 1800 TOTAL

CONTACTS
Teaching and research performed since 1922

A short flight (2 to 3 hours) from any European country

KTU Diploma Supplement acknowledged by the National Commission of the World Trade Organisation, The United Nations, OSCE and NATO

One of the leaders among European engineering universities

Integrated accommodation in KTU residences provides opportunity for students and internshipters

Possibility to develop an idea into business

Among 4 percent of top universities of the world according to QS World University Rankings 2013/2014 and No. 1 among Lithuanian technical universities

Work placement/internship is a part of all programmes

7 libraries with extensive printed and electronic resources for study and leisure

Extensive mentoring in all areas – from academic and career guidance to personal counselling

Applicability of acquired skills and knowledge through work placement and internship programmes

Top quality education

Employability oriented and internationalised curriculum through close collaboration with business and industry

Over 130 undergraduate and Master degree programmes as well as PhD studies in Lithuanian and English

Nationally and internationally accredited programmes and worldwide recognised degree certificates

KTU Diplomas Supplement acknowledged by the European Commission since 2000

Research and project based multidisciplinary studies

Cutting-edge research

Leading university in Lithuania by participation in European research programmes

Achievements in ultrasound, organic chemistry, systems diagnostics, and materials and environmental engineering that have forwarded international advancement of those areas

One of the leaders among European engineering educational institutions in performing R&D for the benefit of small and medium enterprises

Performing 70 percent of all Lithuanian R&D for business and industry

Founder of two integrated Sciences, Studies and Business Valleys

Open access laboratory spaces that are in many instances among the best equipped in Europe

Quality time allowing to enjoy all aspects of University life

13 Student Societies (Choir, Photographic, Theatre, Dance and many others)

Over 20 different sport clubs to stay fit or practice professionally

Progressively multicultural KTU community: international students from more than 40 countries make 5 percent of total students

Integrated accommodation in KTU residences provides opportunity to experience lifestyle of many nationalities

Culture Nights and national festivals organised by Kaunas international student societies for nurturing and sharing your own culture

Kaunas, Lithuania: an exciting place to live and study

Kaunas is the second largest city in Lithuania, often called Lithuanian intelligentsia and cultural capital

12 universities and colleges in Kaunas create vibrant and diverse city’s student community and thus makes Kaunas an academic and youth city

Safe environment and temperate natural conditions make for pleasant living

A short flight (2 to 3 hours) from any European country

Among the top 5 EU countries boasting the greatest number of people proficient in at least one foreign language (as many as 92 percent of Lithuanians speak English, Russian or German)

A member state of the European Union, the World Trade Organisation, The United Nations, OSCE and NATO

Vilnius and Kaunas are among the top 10 most cost-effective cities in Europe

Fifth in the world, third in Europe and first among the Baltic States in foreign investment projects. Lithuania ranks first in Europe in the expansion of fibre optic and mobile broadband and has one of the fastest broadband connections in the world
