2 000 students

OUR ENGINEERING PROGRAM

IPSA CURRICULUM

INCOMING ERASMUS +

EXCHANGE SEMESTER

- Courses taught in English at the master's level (4th and 5th year)
- Students from all over the world: many Erasmus students (about 60 per year)
- An international association in contact with exchange students throughout the semester to help them at the IPSA and in Paris and to organize activities
- A French buddy is assigned to each exchange student
- **French classes every Thursday afternoon for all exchange students**

INCOMING MOBILITY ERASMUS +

- 1 semester or 1 academic year at Master's level (taught in English) only in Paris
- 1 academic year at Bachelor's level (taught in French) in Paris or Toulouse

CAMPUS LIFE

70 STUDENTS CLUBS AT IPSA

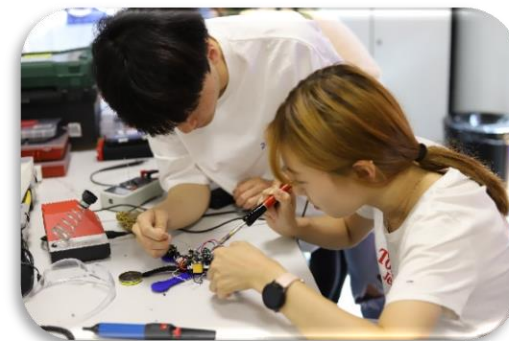

More than 70 clubs for a dynamic associative life: culture, sports (football, rugby, handball, surf, etc.), technical clubs (drones, cubesat design, astronomy, rocket design, robotics, etc.), social and humanitarian actions, event organization, etc.

IPSA International Student Association (IISA)

- Buddy program
- Social activities (afterworks, dinners, conferences, etc...)
- Cultural activities (theatre, visit of Versailles, weekend trips, etc...)

Life in Paris

Paris:

2.2 million
residents

**Paris is the
world's number
ONE TOURIST DESTINATION**

PARIS,

CAPITAL OF THE
ÎLE-DE-FRANCE
REGION,

12.2 million residents.
This is the French
region that hosts the
most foreign students

Paris and Île-de-France:

700,000
students

including **120,000**
foreign students

**PARIS, 8th (OUT OF 44) AMONG FRENCH CITIES
AS A GREAT PLACE TO LIVE AND STUDY (Awarded by L'Etudiant magazine).**

The “Bienvenue en France” label accredited by Campus France, rewards French higher education institutions and evaluates the quality of the reception, support and monitoring of international students by higher education institutions. IPSA was rewarded with the “2 stars” certification.
