

NORDTEK.
Opportunities for All

Rūta Jankauskienė,
Exchange programme coordinator
Academic Mobility Office

NORDTEK

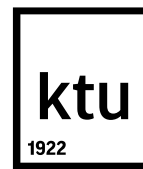

A network of 30 Technical Universities in the Nordic and Baltic countries.

Countries: Denmark, Estonia, Finland, Iceland, Latvia, **Lithuania**, Norway, Sweden.

The mission of the NORDTEK - to strengthen the advances of **Engineering Sciences** and their applications to the societies through cooperation.

Main focus areas:

- Engineering Education (content and pedagogy)
- Entrepreneurship and Innovation
- Student Mobility

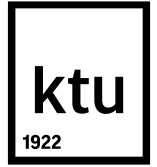

Mobility within NORDTEK network

NORDTEK universities provide world class research and education in many fields.

Who can participate?

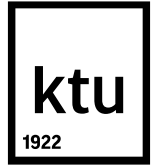

- Students (including PhDs)
- Academic staff

Advantages of NORDTEK

- Studies is a fully recognised part of your diploma/degree.
- Studies at KTU are not terminated.
- Scholarships/payments from KTU remain.
- No age limit.
- Financial support is available.
- Discount for Summer schools.
- PhD course data base online.

Mobility Information

For students

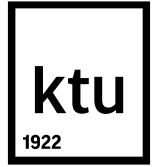

- 1-2 semesters within NORDTEK university (studies, partner visits)

For academic staff

- exchange visits (teaching, tutoring, development of teaching materials, partner visits, etc.)

Only physical exchange!

NORDTEK Funding

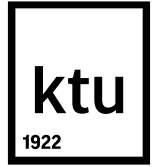

For students

- The standard scholarship amount per student/ semester is maximum **1480 EUR** (travel grant is included in this amount).
- The scholarship amount per student can also be less if the total funding available for scholarships is insufficient.

For academic staff

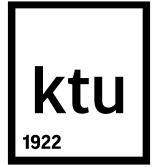

- Grants are awarded for stays of a minimum of one day (**70 EUR**) up to one **week (355 EUR)** + travel grant **330 EUR**.

Application

- **2 Calls for grant application:** main call in March, additional call in September.
- Selected students need to be **nominated by KTU directly to the host institution.**
- The academic staff applications are **submitted at KTU.**
- Information about application is distributed via **KTU Newsletter.**

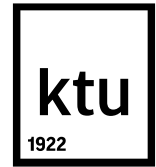

NORDTEK Summer schools

NORDTEK universities offer different opportunities for studies during the summer. There is a possibility to get a full or partial discount.
