PRIMUL VEAC DE ÎNVĂȚĂMÂNT
UNIVERSITAR ÎN TIMIȘOARA

POLITEHNICA UNIVERSITY OF TIMIȘOARA

SHORT HISTORY

- 1920 – UPT is founded by the Royal decree 4822/11.11.1920

SHORT HISTORY

- 1920 – UPT is founded by the Royal decree 4822/11.11.1920
- 1935 – UPT is given the right to grant PhDs in engineering;
- 1941 – The Faculty of Civil Engineering;
- 1948 – UPT had already four faculties: Faculty of Mechanics; Faculty of Electrotehnics; Faculty of Chemistry; Faculty of Civil Engineering
- 1961 – The first Computing Centre;
- 1996- Faculty of Management in Production and Transportation;
- 2005 – The Faculty of Architecture;
- 2011 – The Faculty of Communication Sciences ;
- 2012 – The Advisory Committee of UPT is founded gathering representatives of the private sector - business environment;
- 2014 – The New Library Building is opened;
- 2016 – UPT initiates ARUT (Romanian Alliance of Technical Universities)

FACTS AND NUMBERS ABOUT UPT

- 100 years of existence
- 10 faculties
- 25 departments
- 25 research centers
- Research Institute for Renewable Energy
- 13.000 students
- Over 123.000 graduates
- High employability of graduates (over 90%)
- 700 teaching staff
- 600 administrative and additional staff
- 200 international agreements
- 69 Honorary Professor
- 55 Doctor Honoris Causa

NATIONAL RECOGNITION

- In 2011, UPT becomes the only institution in Western Romania classified as an institution of **Higher Education and Advanced Scientific Research** by the Romanian Ministry of Education.
- In 2015, UPT was re-certified as **high-confidence rating** university by the Romanian Agency for Quality Assurance in Higher Education.

INTERNATIONAL RECOGNITION

- In 2019, UPT was ranked as **the first Romanian university** and as the **36-th from Central and Eastern European universities in innovation** field – classification made by Scopus (SCIMAGOIR)
- In 2019, UPT was ranked **as second Romanian University** on **Times Higher Education** classification, being on the **first place between Technical Universities from Romania** / World Ranking position 600 – 800 from 9.000 universities that have engineering educational programs and from a total of 30.000 universities around the world

INTERNATIONAL RECOGNITION

- In 2019 - **US News Clasification*** UPT was ranked on
 - **33-rd position** from Central and **Eastern** European Universities
 - **573-rd position** from all universities around the world
 - **Top 1% of most cited technical scientific papers** being on 260 position around the world

- Total number of publications in engineering, the total number and the normalized impact factor for citations, the total number of most cited papers in top 10% and top 1%, the number of papers with international coauthors, the reputation at regional and global level

STUDY PROGRAMS

Starting with 2005, three levels of studies were introduced, in accordance with the Bologna process:

- **bachelor programs:**
 - 4 years, engineering degree (available teaching languages Romanian - English and German)
 - 3 years in public administration, communication and public relations.
- **master programs:** 2 years, MSc,
- **doctoral programs:** PhD (3 years).

- 57 study programs at bachelor level (4 years);
- 63 at master level (2 years);
- 13 PhD domains;
- Over 150 PhD coordinators;
- Over 60 PhD thesis/year.

FACULTIES AND FIELDS OF STUDY

- Faculty of Architecture and City Planning
 - Architecture

- Faculty of Automation and Computer Engineering
 - Computers and Information Technology (RO, EN)
 - Systems Engineering
 - Informatics

- Faculty of Industrial Chemistry and Environmental Engineering
 - Chemical Engineering
 - Environmental Engineering
 - Food Engineering

- Faculty of Civil Engineering
 - Civil Engineering (RO, EN, GERM)
 - Building services engineering
 - Geodetic Engineering

FACULTIES AND FIELDS OF STUDY

- Faculty of Electronics and Telecommunications and Information Technologies
 - Electronics Engineering, Telecommunications and Information Technologies (RO, EN)
- Faculty of Electrical and Power Engineering
 - Electrical Engineering
 - Power Engineering
- Faculty of Engineering in Hunedoara
 - Electrical Engineering
 - Automotive Engineering
 - Engineering and Management
 - Applied Engineering Sciences
 - Environmental Engineering

FACULTIES AND FIELDS OF STUDY

- Faculty of Mechanical Engineering
 - Automotive Engineering
 - Transportation Engineering
 - Industrial Engineering
 - Applied Engineering Sciences
 - Materials Engineering
 - Mechanical Engineering
 - Mechatronics and Robotics

- Faculty of Management in Production and Transportation
 - Engineering and Management
 - Administrative Sciences

- Faculty of Communication Sciences
 - Communication Sciences
 - Applied Modern Languages

UPT CAMPUS

- 100 buildings (255.994 m²);
- 16 hostels - accommodation for 6200 students ;
- 2 restaurants;
- 2 hotels/guest house;
- 1 student medical centre;
- 3 sport centres.

FACILITIES

The Library

Students' cafeteria

Parks on campus

SPORT IN UPT

Indoor swimming pool

Tennis courts

Football court

UPT Teams at sport events

PARTNERSHIPS WITH UNIVERSITIES

Bilateral agreements with more than 200 universities from all over the world

Austria
 Japan
 Belgium
 Lithuania
 Cyprus
 Great Britain
 Chile
 Moldavia
 Croatia
 New Zealand
 Czech Republic
 The Netherlands
 Portugal

Switzerland
